A still life photograph featuring several slices of citrus fruits, including oranges and lemons, arranged on a wooden cutting board. Fresh rosemary sprigs are placed among the fruit slices. In the bottom right corner, there are slices of kiwi fruit. The lighting is warm and focused, highlighting the textures of the fruit and the wood. The word "Cítricos" is written in a white, elegant script font in the upper right, and "Aromáticos" is written in the same font in the lower left.
